Health Promotion & Disease Prevention In the Faith-Based Community (HPDP) CCHS & AI DuPont AAP Grant in collaboration with the Body & Soul Program sponsored by Crozer-Keystone Health & Macedonia Church

KICK-OFF EVENT: Sunday August 16th @ the Chester Community Health Fair & Block Party

This Exciting Program is my part of my advocacy project made possible by a grant from the American Academy of Pediatrics (AAP)

The goal of this program is to be an outreach in an urban community to educate and reach at risk children and adults who often don't access healthcare. The program will be formatted as monthly 2hr events called L.I.F.E. Classes.

L.I.F.E. Class Agenda: * times TBA

Sunday **August 30th** at 2:00 pm **Obesity/Weight Management** & *“Burn Baby Burn” Exercise Class*

Sunday **September 27th** at 2:00 PM **Nutrition/Healthy Meals** Information & *Cooking/Grilling Class*

Saturday **October 17th** Afternoon*- **Immunizations/Health Screenings & Flu Shot Clinic**

Saturday **November 14th** Evening*-**Depression Info Session** & *“Sing your Blues Away Concert”*

Saturday **December 5th** Evening* **Diabetes Management/ Educator** & Sugarless Desert Party

Saturday **January 16th** Afternoon* **Cardiovascular Health/Meet the Docs!** & *“New Start for Your Heart”*

We would like for residents to participate in these life classes as instructors, screeners or advisors. Each session will have 2 separate classes for adults and children

There will also be a Q&A segment at the end of each session where you can be part of our panel to answer participant's questions.

This is an excellent opportunity to help and work in the community; build your presentation skills, improve your patient education skills and even looks great on your resume! Thank you so much for agreeing to be part of this exciting community advocacy project!

Sincerely

Nancy Fleurancois, MD
